

Teeth Whitening 60 min

\$199

Over-the-counter products remove extrinsic staining, which occurs in the enamel of teeth while intrinsic staining occurs within. Our professional treatment can remove both extrinsic and intrinsic staining. This service is comfortable with no sensitivity and guarantees quick and effective results for a bright white beautiful smile.

Facial Addons

Price

Radio Frequency

\$49

One of the best benefits of this treatment is the gradual change in the skin's appearance. RF works to produce new collagen and elastin in the body, while old, damaged skin is replaced. New skin is firmer and tighter giving it a youthful appearance.

Galvanic

\$49

No matter what your skin type is, galvanic treatment is a good choice. Benefits include Cleanses and Detoxifies Skin, Promotes Blood Flow, Provides Moisture, Improves Skin's Elasticity, Wards Off Signs of Aging, Increases Product Penetration, Gives Smooth Radiant Skin, and Keeps Acne away.

Derma Pen

\$39

Dermapen microneedling uses small needles on the skin. This treatment helps generate new collagen and skin tissue for smoother, firmer, more toned skin. Micro needling may treat various scars, wrinkles, and the appearance of large pores.

Dermaplaning

\$39

Dermaplaning provides an effective and safe exfoliation while also getting rid of peach fuzz. This treatment promotes deeper product penetration, boosting the effects of skin care products while making the skin look and feel smoother. It is also useful for reducing the appearance of acne scars.

Chemical Peel

\$39

Works to reveal a brighter and refined complexion, improving the overall look and feel of skin in just one treatment. Improves skin tone, and texture. Stimulates new collagen and skin cell growth, which reduces sun damage discoloration. Clears breakouts, smooths away fine lines and wrinkles, Increases hydration addressing imperfections and superficial scars.

CBD

\$29

Uses a balance of nutrients that will nourish and moisturize. CBD helps to stop skin peeling, rough patches, cuts, and cracks. This treatment has anti-inflammatory and moisturizing healing benefits. It can also help manage eczema and rosacea.
